RULES and REQUIREMENTS:

The affiliate region must sign up on the "Region Affiliate Program" link on www.sccagear.com and display one of the supplied links or banners on its website.

If a region has a separate website for any of its programs, each program may sign up for the affiliate program separately.

Approval of membership in affiliate program is at the sole discretion of SCCAGear.com, a division of SPS, LLC. SPS, LLC and SCCAGear are the exclusive licensed providers of SCCA Apparel and Merchandise and are not affiliated with SCCA, Inc.

Payment of cash benefits will be made within 20 days of the end of each calendar quarter to the treasurer of each region, as shown in official SCCA records. If a region wishes for funds to be disbursed to a different person or address, they may fax a letter to us (636-343-1288) signed by the treasurer and Regional Executive and containing instructions on where to send the funds.

Payment of product purchase benefits can be redeemed at any time as either gift certificate to be used online or invoice credits on bulk trophy or merchandise and apparel orders.

Product benefits are only available for orders placed online and NOT for phone orders or sales at events.

Product benefits may be redeemed only on the following products:

- Any product for sale online at SCCAGear.com
- Bulk Apparel, Merchandise, Trophy or Award orders placed through our trophy department and billed to the region that earned the benefits.

PRODUCT BENEFITS MAY NOT BE REDEEMED AT ANY OTHER WEBSITE OPERATED BY SPS, LLC WITHOUT EXPRESS, PRIOR APPROVAL FROM SPS.
